Re: SB 40  
Proposed Amendment

January 16, 2013

Instead of this new text:

1(c) If the reviewing agent or agency fails to schedule and hold the meeting to submit the application pursuant to this subsection (1), the application is considered to be received on the date of delivery to the reviewing agent or agency. The date of delivery means the date the application is hand-delivered by the subdivider or the subdivider's agent to the reviewing agent or agency or the date of the return receipt if the application is delivered by certified mail, return receipt requested.

Substitute the following:

1(c) If the reviewing agent or agency fails to schedule within 10 days the meeting for submittal of the application pursuant to subsection (1)(a), no meeting is required and the reviewing agent has 5 days from the 10-day meeting deadline to complete element review.
